A smart alternative to solid wood

# Plywood drawers

**Plywood drawers offer the premium look and strength of solid wood without the price tag.**

Explore our programs designed for both cabinet manufacturer OEMs and Distributors that offer various UV finished, drawer-grade plywood options in both domestic and import wood species.

## FEATURES & BENEFITS

---

- Available as fully assembled drawers, unassembled drawers, or in 5' or 8' blanks
- Joinery for assembled drawers include bore & dowel, French, English dovetail and rabbet joinery
- Color matched bottoms
- Top edge treatments include flat veneer edgebanding, PVC edgebanding, and either clear or matte foil edge, bullnose or flat top
- Pre-finished for immediate installation
- Please inquire regarding specific layers of plywood and custom staining

## SPECIFICATIONS

---

- **Thickness:** 12mm, 15mm
- **Species:** Import Drawer Ply or Baltic Birch
- **Bottom groove:** 1/2" up 1/4" wide 1/4" deep
- **Standard heights:** Ranging from 2" to 12"

Finished in fewer steps

# Drawer blanks

## Ingeniously easy

Great ideas don't have to be complicated. Take a Genesis drawer blank, and make four straight cuts. Then fasten with staples, screws, biscuits joining or bore and dowel. And there you have it — a high-quality, finished drawer in fewer steps.

## Streamlined processing

We're standing by to help you turn orders around faster and free-up time to focus on your customers and new business development.

### ALL THE OPTIONS YOU NEED

- DuraWrap or Plywood
- Flexible heights and dimensions
- UV-finished or unfinished
- Standard groove location suitable for side-mount slides and most under-mount slides
- Ask about customization options

### FAST TRACK PROGRAM

Ordering is quick and easy. Receive standard sized blanks in DuraWrap or plywood within a 1 week lead-time. Each order must meet the following criteria:

- **Quantity:** 1 to 150 drawers per order
- **Heights:** 2", 3", 3.5", 4", 5", 6", 7", 8", 10"

#### PLYWOOD

- **Species:** Birch or Maple
- **Bottom groove:** 1/8", 1/4" wide

#### DURAWRAP

- **Color:** White Maple, Black or White
- **Bottom groove:** 1/4" wide

# Complete your program by partnering with the most comprehensive laminated panel and component supplier in the U.S.

## PANELS & PANEL PROCESSING

State-of-the-art high speed lamination lines support virtually any surface and any substrate with the ability to add panel processing to streamline your supply chain.

## CABINET COMPONENTS AND DOORS

We've expanded our capabilities to be your one-stop-shop for cabinet components and doors. Explore the largest offering of films and finishes in the industry combined with styles and profiles that are on-trend and in-demand.

## MOULDINGS

Our 80,000 square foot profile wrapping facility makes paper- and vinyl-wrapped mouldings to spec, from one of the largest selections of finishes in America. Global sourcing and domestic production allow for product you can trust with predictability in pricing.
