SUSTAINABLE

Imported Hardwoods

Sourced From Around The Globe

Our extensive corporate compliance program ensures the legality and integrity of your supply chain.

Large stocking inventories of all commercially used thicknesses and grades – many of which are FSC® certified.

Customer selection available for grain, width, length, or region of harvest.

Warehouses on East Coast, Gulf, and West Coast provide prompt access to material for just-in-time inventory management across North America.

Put more than 85 years of combined trade expertise to work in your business. Delivering value through quality, service, and dependability.

We are sure you will notice the difference in your **bottom line.**

I buy from ADENTRA, because they have great quality lumber. We feel comfortable buying their material, because they do their due diligence when it comes to bringing in legal wood. On top of all that, ADENTRA has great customer service.

Northeast

I cannot say enough about the professionalism and on-time service we get from ADENTRA in Leland, N.C. Not only the sales staff, but also the office and warehouse go above and beyond in making sure our shipments are spot on and tallies are correct. For these reasons it's an enjoyable and beneficial relationship that they are our first, and usually only call in our purchasing of import products.

Central North Carolina

AVAILABLE SPECIES

For nearly 90 years, we have been a leader in the distribution of hardwood lumber and panel products to the woodworking industry. Our success has been built on continually striving to deliver the highest quality global solutions for our customers. Our Import Lumber Division in Leland, North Carolina is no exception; offering the finest kiln dried and air dried lumber available from around the globe.
