The LUJO® Collection

The LUJO® Collection from Wilsonart® TFL embodies the definition of luxury. Translated from the Spanish word for “luxurious or comfortable surroundings,” LUJO® is the highest standard for nature-inspired home design.

The LUJO® Collection includes a luxurious array of three-dimensional designs that feature realistic ticking and natural variations that offer a soothing series of woodgrain colorways, perfect for adding modern authenticity to any space. Available in a best-matched collection of TFL, HPL, and Edgeband. LUJO is an excellent material replacement for paint, real wood and veneers, especially for cabinets and closets.

Choose designs that include four finishes from The LUJO® Collection. Each finish highlights the linear and deep textures of authentic woodgrains.

Silken Wood (-17)
A luxurious matte finish that provides a silky touch. This tactile quality is paired with intriguing visual features found in a quarter sawn grain structure, like open or dense ticking in linear arrangements.

Timbergrain (-05)
A low-sheen finish paired with dimensional, realistic ticking that offers warmth and authenticity.

Ridgewood (-79)
An overall matte finish with ridged dimensional characteristics, creating a gentle linear woodgrain effect.

Gloss Line (-28)
A linear woodgrain texture with varied widths of narrow grain structures in an alternating mix of matte and gloss surface areas.
