

SELECT SERIES

MASONITE® DOORS AND GLASS

Next Edge Door Systems deliver an endless portfolio of beautiful panel and decorative glass options from Masonite.

Breaking the mold, the Select Series sets the new industry standard when it comes to exterior door systems. The entry-level Next Edge series offers Masonite door slabs in steel or fiberglass, with a regular sill, primed jamb, limited lifetime warranty on the slab, and a one-year warranty on the door frame.

CHOOSE FROM A VARIETY OF DOOR OPTIONS.

Steel – Beautiful, modern, elegant.

Fiberglass – Impact-resistant and rust-free, available with Oak, Fir, Mahogany, or smooth skins.
