

IG | RAILING®

#1 Brand of Frameless Glass Railing

we created a

Style

that stands
above the rest.

frameless glass railings

illuminated.

IG Railing Spigots

- 2205 Duplex stainless steel
- Spigot walls are engineered with Honeycomb Technology™ for unparalleled strength
- Integrated LED core in the base of spigot for simple light installation and replacement
- Surface mount installation (top down)
- Matching cover plate made of 316 stainless steel
- Stainless steel reinforced shim plate to disperse the load of contact
- 4mm hex head machine screws for tightening glass
- 25 Year Limited Warranty

IG Railing Lighting

- Plug & Play Design
- Nearly unlimited colors with wheel remote
- Multiple mode settings
- WIFI ready on TUYA app

Lighting Kit Includes:

- (1) Transformer (U.S. plug)
- (1) Radio Frequency (RF) Driver
- (10) or (30) 10" extension light leads
- (10) or (30) LED bulbs (5")
- (1) RF color wheel remote
- (1) main power line with power junctions every 5'

IG Railing Glass

1/2" tempered glass for 36" & 42" rail heights available

- **Glass Widths:** 24", 30", 33", 36", 39", 42", 45", 48", 54".
- **Low Iron Glass:** Stunningly clear because it contains less than 1/10 of the iron present in typical clear glass. Traditional float glass will not be suitable to carry light and is not recommended to be used.
- **Dramatic Edge:** As its thickness increases, low iron glass gains a distinctive blue edge, while the transparency of the glass remains ultra-clear.
- **Customization:** is possible with glass etching services and glass etch acrylics to personalize or logo individual projects.

180-DEGREE GLASS CLAMP

ADJUSTABLE GLASS CLAMP

WALL CLAMP

IG Railing Connectors

- Made of 316 stainless steel
- IG connectors are substantial to support
- Available in polished stainless steel and matte black

Available IG Top Rail

- Made of 316 stainless steel
- Available in polished stainless steel
- 3 meter lengths
- 25 Year Limited Warranty
