

 **PlyClear**®

NAF Plywood

Available in 4 Core Types: Veneer, MDX, MDF, and Particleboard

Manufactured by Mt. Baker Products

Proudly Distributed By Hardwoods Specialty Products

Mt. Baker Products' PlyClear® line of decorative panels are produced using their exclusive formaldehyde-free resin.

Mt. Baker's Soy Based Adhesive eliminates added formaldehyde from veneer core and NAF composite hardwood plywood panels. From manufacturing to the consumer, all will have peace of mind knowing that Mt. Baker Products' PlyClear® panels are the healthy and environmentally sound choice.
