

# Screens for your whole home.

Larson screen products are designed to fit most existing door or window applications for the patio, lanai, garage, gazebo and front door. In addition to providing instant ventilation, retractable screens offer protection from airborne pests and harsh UV rays.

### RETRACTABLE SCREEN BENEFITS

Choose from a complete line of screens which includes options for single door openings as well as large openings up to 26'3" wide. Available in trending colors and styles to complement your home.

Protection from airborne, biting pests.

Easy to install and operate.

Supports fresh, natural ventilation.

### Brisa Retractable Screen Door

Note: See your Larson seller or visit larsondoors.com for details on limited warranties and exclusions. Not intended to keep children or pets inside. Product finish colors are approximate; actual finish colors may vary.

### Retractable Motorized Screens

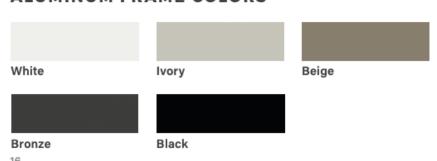

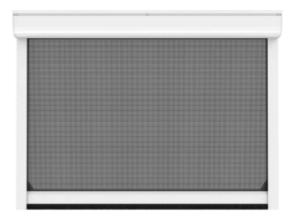

## Retractable Motorized Screens ENJOY THE VIEW IN COMFORT

Protect against insects, debris, sun, heat and wind with a selection of five purpose-built screens that fully retract for an unobstructed view. The screen is designed for long-term reliability, featuring sonic-welded zipper tracks and heavy-gauge aluminum construction for enhanced resistance to wind damage.

Custom-made to fit your opening and pre-assembled for easy recessed or surface-mount installation.

### **ALUMINUM FRAME COLORS**

### **INSECT SCREENS**

Models 6+, 7+

Experience outdoor living without the bugs. Insect screens safeguard against airborne pests and are made of durable, vinyl-coated polyester that resists tears and punctures.

**TuffScreen**. - Protects against airborne pests.

**Black** 

**TuffScreen**. **No-See-Ums** – Protects against even the smallest airborne pests with a tighter weave.

Black

### PRODUCT AVAILABILITY

Model	Width Min-Max	Height Min-Max	Cassette
