

December 12, 2022

TO: TAMKO Customers
FROM: Alex Hines, Vice President of Sales & Marketing
SUBJECT: Titan XT® shingle production launches at TAMKO High Street-Joplin, MO plant

To satisfy customer demand for TAMKO's new Premium Architectural Shingle line, production of Titan XT® shingles will soon begin at TAMKO's manufacturing plant in Joplin, Missouri.

HIGH STREET TITAN XT DISTRIBUTION AREA

- **Several states in TAMKO's Central and Southwest Districts including** Arkansas, Louisiana, Missouri, Oklahoma and Texas, and portions of the states of Kansas, Illinois, New Mexico and Tennessee will now be supplied with Titan XT® out of the High Street-Joplin plant.
- TAMKO's Phillipsburg, Kansas plant will continue to supply TAMKO's Western District customers and portions of the Southwest District with Titan XT® shingles.

TIMING

- Before end of year (2022), production of Titan XT® shingles will begin at the High Street-Joplin plant.
- Customer orders in the geographic areas that will now be supplied with Titan XT® shingles from High Street-Joplin will be automatically transitioned as material becomes available in January 2023.

DO NOT MIX

- **DO NOT MIX** Titan XT® shingles produced in Phillipsburg with Titan XT® shingles produced in Joplin.
- Example of the High Street-Joplin Titan XT® wrapper side panel is included below.

Olde English Pewter

COLORS

High Street-Joplin will produce Titan XT® shingles in a similar color line to the Phillipsburg-produced Titan XT® color line with a few notable exceptions.

- New colors available for Titan XT® shingles from High Street-Joplin include Rustic Evergreen and Antique Slate.
- The geographic areas that will now be supplied with Titan XT® shingles from High Street-Joplin will continue to be able to order Phillipsburg-produced Titan XT® shingles in some specific color offerings, including Harvest Gold, Mountain Slate, Painted Desert and Rustic Brown.
- Colors that are available for Phillipsburg Titan XT® shingles that will no longer be available to customers transitioning to High Street-Joplin Titan XT® shingles include Autumn Brown and Desert Sand.

SAMPLES & LITERATURE

Updated samples and literature will be made available to customers that are transitioning from Phillipsburg-produced Titan XT® shingles to Joplin-produced Titan XT® shingles.
