

WHISPERING OAKS

Family Dental

Effective Immediately: If you miss 2 or more appointments in our office, we will no longer be able to ensure that you will be re-appointed. We now offer technology to text/email you for upcoming appointments. In addition, we also call prior to all appointments as a courtesy to you. If your appointment is not confirmed 24 hours prior to appointment time, your appointment will be taken OFF our schedule and appointed to a different patient. It is your responsibility to confirm appointments at least 24 hours prior to appointment time.

Thank you for your cooperation.
