Bain Marie - Drop-In

2-Tier Gantry - Heat lamps Top & Bottom Shelf

Product Information:

- Unit comes complete with CH.BM.U bain marie plus drop-in bench top and double overhead heated gantry fully fitted and wired. Gantry is welded to bench top
- Adjustable digital temperature controller allows food to be held between +65°C to +90°C (food must be heated above 65°C before being placed in the bain marie)
- Wet or dry operation (temperature varies greatly when run dry, should not be left unattended for long periods of time)
- Suits gastronorm pans up to 150mm deep (sold separately)
- This display is designed to be installed into a cut-out in a new or existing bench top which allows for simple, inexpensive installation
- Gantry constructed from 304 grade stainless steel with a No.4 finish
- 2 tier overhead gantry comes in either single heated (GDB - heat lamps to bottom level) or double heated (GDD - heat lamps to top and bottom levels)
- Overhead Quartz IR heat lamps provide heat and illumination to the product below
- Individual On/Off switches to operate bain marie and overhead gantry heat lamps
