

Bain Marie - Under Bench

Product Information:

- This display is designed to be mounted under a custom made stainless steel bench top (manufactured and fitted by others)
- Gantries sold separately to enable installation over the bain marie on a custom made stainless steel bench top
- Double skinned air insulation on all sides to minimise heat to external panels
- Robust construction from 304 grade stainless steel with a No.4 finish
- Adjustable digital temperature controller allows food to be held between +65°C to +90°C (food must be heated above 65°C before being placed in the bain marie)
- Wet or dry operation (temperature varies greatly when run dry, should not be left unattended for long periods of time)
- Water inlet at opposite end to drain for ease of cleaning
- Ready for connection to hot water inlet and waste, valves supplied loose for onsite connection to service
- Suits gastronorm pans up to 150mm deep (sold separately)
- Pan dividers not supplied.
