Bain Marie Hot Cupboard

Under Bench - Counter Line

Product Information:

- This unit is designed to be mounted under a custom made bench top of your choice (manufactured & fitted by others)
- Adjustable digital temperature controller allows food to be held between +65°C to +90°C (food must be heated above 65°C before being placed in bain marie)
- Pans are recessed to minimise water condensation on surrounding bench top
- Wet or dry operation (temperature varies greatly when run dry, should not be left unattended for long periods of time)
- Fitted with 10mm thick toughened glass gantry with overhead Quartz IR heat lamps to provide heat and illumination to the product below
- Gantry is detachable and height adjustable for ease of installation. To be connected by an electrician
- Individual On/Off switches to operate bain marie, hot cupboard and overhead gantry heat lamps
- Overhead heat lamps are fully adjustable via a solid-state voltage controller for accurate temperature selection
- Hot cupboard features a fan forced heating system which offers energy efficiency, faster heat up times and even heat distribution
- Top mounted easy glide doors that do not sit in a bottom track, eliminates dirt trap
- Double skinned air insulated on all sides to minimise heat to external panels
- Robust construction from 304 grade stainless steel with a No.4 finish
- Water inlet at opposite end to drain for ease of cleaning
- Ready for connection to hot water inlet and waste with all valves supplied and fitted
- Supplied with 2 chrome plated steel wire shelf per door
- Bain marie suits gastronorm pans up to 150mm deep (sold separately).
