

STANDARD PRODUCT
METROBENCH Wide

TOWN&PARK

Product Description:

The Metro Range of outdoor seating

The Metro Wide Bench is a robust and vandal resistant unit manufactured from marine grade aluminium with stainless steel fixings. The modular design allows up to 4 metres in continuous FSC 100% hardwood and up to 6 metres in clear anodised extruded aluminium slats.

Options include edge guards for deterring skateboarders as well as various mounting options.

Should you require special modifications to suit your specification, please do not hesitate to contact us.
