

RING SIZER

- 1 Cut out paper sizer.
- 2 Wrap sizer snugly around your finger.
- 3 The arrow points to your finger size.
- 4 If possible, have your Herff Jones Sales Professional measure your finger for ring size.

Mac OS X

IMPORTANT - Before printing set page scaling to none in the print set-up window.

After printing the ring sizer please measure the black box. The box should be 1 inch wide. If it is not please check your printer setting and re-print the ring sizer. Do not use if the black box does not equal 1 inch or your ring size will be wrong!
