

Love One

Week 1 | Pastor Allen Jessee

Big Idea

To understand how to love God, you have to understand how much God loves you. God does not just show us His love, He IS love!

Let's Talk

- 1. Sons and Daughters** - We are loved by God enough to be called His children! God draws near to us and desires a relationship with us same as a parent does with a child. How does this relationship dynamic affect how you think about God? Does it cause you to want a closer relationship with Him knowing that he desires a relationship with you?
- 2. Confidence** - We can bring our needs to God with confidence! Nothing is too big or too small to bring to our Father who loves us with a deep love. Read Hebrews 4:16 and spend time discussing what a difference it makes knowing we can approach God with confidence.

"Let us then approach the throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need." Hebrews 4:16

Reflect & Respond

We have the opportunity each day to replace our worry with worship. God is worthy of our worship and desires to have a relationship with us in the good times and in the bad times.

"Such love has no fear, because perfect love expels all fear. If we are afraid, it is for fear of punishment, and this shows that we have not fully experienced his perfect love."

This verse reminds us "perfect love drives out fear". Take some time this week to celebrate that reality and focus on the fact that God has called you a son or daughter!
