

Love One

Share the Good News of Jesus | Pastor Allen Jessee

Big Idea

Our relationship with Jesus is to be shared with others! The gospel is Good News for all people, and we are all capable of sharing His love with our friends, neighbors, and communities.

Let's Talk

- 1. Who is called?** - You may not feel "called" to or capable of sharing your faith with others, but the reality is that God has instructed all of us to share His love as we go about our lives. How does it make you feel to consider that you are capable of sharing the love of Jesus with others? If you know what it's like to be loved by God, you can share this with others.
- 2. Tell your story** - There is power in sharing our stories! You may not even realize the impact that you could have on someone else's life by sharing your story. Will you take advantage of the opportunity to share your story with someone this week / month / year? What would it look like for you to be ready to share about the hope that you have in Jesus?

Preach the word; be ready in season and out of season. 2 Timothy 4:2a

Reflect & Respond

We are to be a light in our communities. No matter where you live or what you do, you can share your faith with those around you! Take some time this week to think about how you could be ready to share about the hope that is inside of you the next time you have an opportunity to engage with someone.

Be ready at any time to give a defense to anyone who asks you for a reason for the hope that is in you. Yet do this with gentleness and respect. 1 Peter 3:15b - 16a
