

Love One

Right Here, Right Now | Community Pastors

Big Idea

We are called to be 'people of peace' who seek the prosperity of the city (or town, or county) we live in. Whether you spend a year or a lifetime in a place you can make a difference in the lives of others in your community. Let's join God to make a difference!

Let's Talk

1. Are you invested? - It's easy to coast through life. Wake up, commute to a job, go to class, check FaceBook, watch Netflix, fall asleep, and repeat. Our lives may not feel like they matter when we are coasting through life, but there is so much more to this life! God has called us to engage with the world and love those who are in need. Read Isaiah 58:10 for an idea of the impact your investment could have on your community.

"If you spend yourselves on behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday." Isaiah 58:10

2. Repair what is broken. It is sometimes easier to start something new than to repair what is broken. Crack your phone? Just get a new one! We live in a world that does not value repair and restoration of what is broken, but God calls us to a ministry of restoration and reconciliation. We have an opportunity to step in the gap of what used to be vs. what could be and offer help and hope. When we bring the light of the gospel (Good News) to broken situations, we see dead things come to life and broken lives restored! Are you committed to repairing what is broken?

Reflect & Respond

Highlands Fellowship exists to "Join God to Make a Difference in our World and Communities." Will you join us? There is much work to be done in our communities and world, but that challenge should not stop us from charging into the darkness to shine a light and rebuild what is broken. Let's take to the streets and truly Love One - right here and right now!
