

Love One

Big Idea

Are you willing to take a step into your community to make a difference for God? Each week, we're given the opportunity to serve someone in need. Whether it's a project with Highlands or something you do yourself, take some time to Love One this week.

Let's Talk

1. Not on our watch! It can be daunting to see all of the needs of our communities and world. There are so many issues that it can feel overwhelming when it comes to offering help. But God calls us to help when we can, however we can, right where we are. If we are alive, we can help. Reflect on Proverbs 3:27 - 28. What kind of a difference could you make simply by focusing on this verse this week?

"Never walk away from someone who deserves help; your hand is God's hand for that person. Never tell your neighbors to wait until tomorrow if you can help them now." Proverbs 3:27 - 28

2. Remember what Jesus did for me. We have been forgiven! That news should never get old. Because we have been forgiven and loved by our God, it should move us to share love and forgiveness with others. While it's sometimes easier said than done, it can be extremely powerful when we choose to live in the freedom that being forgiven brings.

"Therefore, I tell you, her many sins have been forgiven - for she loved much. But he who has been forgiven little loves little." Luke 7:47

Reflect & Respond

Highlands Fellowship exists to "Join God to Make a Difference in our World and Communities." Will you join us? There is much work to be done in our communities and world, but that challenge should not stop us from charging into the darkness to shine a light and rebuild what is broken. Let each of us share the love of Jesus in our communities! We can't wait to hear the stories of God's faithfulness and how He moves in the coming days.
