Instructor's Biography

Cristiano Pratellesi is an Italian national and native speaker of Italian language. Cristiano holds a degree in tourism and hospitality and has extensive experience in tourism, event management, accounting and administration. He is currently living in Sarajevo.

General Information

Learn Italian with a native speaker! This course is an introduction to the study of Italian for those who have had no previous contact with the language. The course covers the basic points of grammar. Students will concentrate on four aspects of communication: speaking, writing, listening and reading on a basic level. They will be guided through this step by step. They will learn to communicate in Italian using short conversations on topics concerning every day situations of life. In addition, they will also acquire some basic knowledge of Italian culture.

Course Materials

Required Materials

- Students will receive materials from Italian language textbooks and additional materials prepared by the teacher.

Optional Materials

Students will receive additional materials.
