GENERAL INFORMATION

“Summer school of singing” is program of musical education dedicated for children and adults based on international recognized program “The Rock school of London”. The program is valid in 57 countries around the world with 8 Levels of music education in the field of Vocal.

The songbooks are designed with more than 96 hit pop- rock, jazz and blues songs of world well known recognized artist such as: Beyonce, Rihanna, Michael Jackson, Ella Fitzgerald, David Bowie and others.

If you want to develop your vocal technique while singing some great songs, our summer program is perfect for you.

This is the first workshop of this type in Bosnia and Herzegovina.

Miss Mima shall decide in consultation with a student about the beginning level of the student.

Levels:

- Beginners (Level 1-3)
- Advanced (4-6)
- Professional (7-8)

Class activities: Vocal Exercises (breathing, pitch, fitness, posture), diction, phrasing, interpretation, jazz improvisation and choral singing.

NOTE: The classes will be on English language based on principle “Sing, and it will be easy to speak English better”.

This is an ideal way to improve your level of English pronunciation and speech.

Expectations and Goals

Our goal is to encourage the development of voice individuality of kids and adults, develop communication skills, cultivate love and respect for art and improve knowledge of English language.

This workshop is perfect for individuals who wants to develop and improve their musical abilities, whether they are totally beginners or affirmed musicians.
