General Information

Description

This course is designed to give a general overview on the funding opportunities for Bosnia and Herzegovina as well as a practical workshop on how to get the funding.

Topics to be covered:

1. EU funds available /other donours
2. Financiing process - who are the main players
3. Rules and procedures
4. Parters/Consortiums - how to choose the right partners
5. Building a pipeline of projects
6. Bottom up approach - from idea to the project

Expectations and Goals

This course will help any individual and organization to position themselves in the process of the EU funding. It will help people and organizations build the pipeline of their projects as well as develop their own idea and try to realize it using public funding.
