The BestSchools.org Announces the “The 100 Best Online Colleges for 2017”

PELLA, IOWA (Jan. 31, 2017) — With over six million students now attending an online college, getting an education remotely has never been more popular. But which online colleges deliver the best education?

For prospective students, TheBestSchools.org solves the dilemma by narrowing the field in its top-rated ranking: “The 100 Best Online Colleges for 2017.”

“Because the number and quality of online study programs keeps expanding, we’re doubling the number of schools we examined in 2017, from 50 to 100,” says Dan Edelen, director of marketing services for TheBestSchools.org. “Our ranking list consistently rates as one of the most trafficked on the web due to the peerless ranking methodology and thorough research we employ. With our ‘The 100 Best Online Colleges for 2017,’ students eager to get the best ROI from an online college can be confident they will receive the latest facts about the colleges that interest them most.”
