

CEDRIC TERRELL

photographer

Cedric Terrell is a photographer, Marine Corps veteran and entrepreneur based in Los Angeles. Using his marketing background, Cedric approaches each project with an emphasis on attention to detail and creativity. A native of Florida, Cedric is a seven-year active-duty Marine veteran. He sees photography as a form of empowerment for his clients. Working closely to ascertain their individual needs and style. He approaches every project with a boots-shined, on-time attitude and consistently delivers the highest standards of personalization and professionalism.

From portrait and lifestyle spreads to commercial and fashion shoots, Cedric has catapulted his business into an internationally recognized brand with a high-profile client list that continues to grow.
