FREE WALKING TOUR CARTAGENA WALLED CITY

This is the best introduction to the history and culture of Cartagena, the Walled city inside the colonial border made of stone. In this tour you'll relieve the battles the Europeans fought, learn about the empowerment of the Afro culture, and you'll have the chance to explore the narrow and colorful colonial streets, contrasting them with the modern, new areas.

HISTORY
&
CULTURE

BEYOND
COLOMBIA

Discover the largest European military fortress in Latin America! Explore its ancient walls, which have withstood the test of time, its breathtaking views, and its hidden passages, unveiling the untold stories of battles, heroes, and secrets that shaped history. Throughout its history, San Felipe Castle was subjected to several sieges and attacks. One of the most notable was the famous Siege of Cartagena in 1741, when British forces attempted to capture the city but were successfully repelled. The Castle's resistance during that time is considered a historic milestone and a testament to its robust defensive structure.
