## Joe's Journal

**Hello from the Renaissance!**

I'm super excited to be writing to you from the Renaissance period. In case you don't know, the word "renaissance" itself means rebirth. As we all look forward to beginning another school year, I like to think of this season as a fresh start. I can't wait to tell you all about the art, science and other cool stuff we're finding here in the 16th century. And good luck with the start of your own school year!

**JOE**

## NEEDS & WANTS, Then & Now

GO ONLINE!

Needs vs. Wants

START

To visit your Money Mammals website, scan this code on your smart device!

Our Needs vs. Wants app is built for modern life, but it has a lot of tie-ins with what people needed and wanted in the Renaissance as well. For example, you would NEED a shirt to wear to school, whereas in the Renaissance the same item would be called a CHE-MISE. See if you can find other Renaissance alternatives in our Needs vs. Wants video too.

### Are you ready to Walk Like Egyptian?

We hope so, because Frugal McCougal is excited to take the Money Mammals on a trip to Ancient Egypt in our next newsletter. Who knows what they will discover among the pyramids!

# Piggs' Printing Press

Piggs is apprenticing at a Renaissance printing press. But he is still getting the hang of it, so he has mixed up all the movable type pieces and now can't remember what he was supposed to be spelling. Fill in the letters to help him out.

# Masterpiece Mishap

Frugal McCougal was excited to introduce Joe and his friends to some classic Renaissance art. But the paintings have gotten scrambled up in the time warp, and now they all have modern elements mixed in! Draw a circle around the out-of-place objects.

# A FAIRE TRADE

The Money Mammals are playing a special show at a REAL Renaissance festival. The only problem is that they don't have their modern instruments. Help them figure out how many items they need from their stalls to trade for new instruments.
