NEW YEAR, New Website!

GO ONLINE!

Your Club Money Mammals website is all new, all fun and better than ever!

The Money Mammals have a whole new look for the new year! Go online with your parents to navigate to the KIDS section for all things fun. Be sure to watch the *Saving Money Is Fun* video to get to know Joe and his friends.

Travel back to prehistoric fun!

Meet Frugal McCougal. He's opened up a whole new world for our Money Mammals with Imagination Portals, allowing them to travel to any time using just their minds. This time, we're taking a journey with Joe and company to the prehistoric world of the dinosaurs.

We'll **Share \$ Save \$ Spend Smart** Too!

TIME WARP

Piggs has been put in charge of the time machine! He's working with his pal Frugal McCougal to

determine where the next trip should be after this prehistoric dino adventure. Solve the clue to enter the year in the time machine. That's where you and the Money Mammals will be headed next time!

GOAL PRETENDING

Joe and his pals are playing a bit of prehistoric soccer and are trying to hit their money targets with spot-on kicks. Help them take aim by circling the target that represents the smartest money-saving goal. You can use a dime or nickel as your "ball."

Visit our website for solutions and lots more great games!
