A Safe Place offers help if someone is anxious, scared or at risk while they are out and about and need support.

What does the Safe Place offer?

Staff in the Safe Places receive a variety of training (First Aid, Mental Health First Aid, Dementia Awareness, Deaf Awareness and more) so they are prepared to offer a warm welcome. The staff will offer support to both local residents and visitors to the town, signposting to local support agencies

Introduction

A GUIDE BY ANDREW CRAWTE

This guide has been researched, compiled, and created with great dedication by Andrew Crawte, a member of Guildford Accessibility Group, with support from Experience Guildford.

Born with cerebral palsy, Andrew understands first-hand how important it is for people with disabilities to have clear, reliable information so they can make informed choices.

WORKING TOGETHER

Through this guide, we aim to create equal opportunities and help make Guildford a more inclusive place.

A special thanks goes out to all the participating businesses for their valuable support.

Discover Guildford

Guildford is a town filled with character and charm, with a High Street that reflects its rich history and stunning architecture. Steeped in heritage dating back to Anglo-Saxon times, Guildford's cobbled streets and historic buildings such as the iconic Guildhall clock and the Norman-era castle, surrounded by award-winning grounds, is a particularly impressive sight, providing a peaceful retreat in the heart of town. Guildford's High Street is packed with independent shops, award-winning restaurants, and unique retailers. Whether you're looking for fashion, gifts, or simply a great cup of coffee, there's something here for everyone.
