SHAPING FUTURES THROUGH SMART SOLUTIONS

Shaping Futures Through Smart Solutions

The landscape of higher education has evolved. Campuses across the nation are embracing a more holistic approach to learning, engagement, and problem-solving. By incorporating innovative tools, creative methodologies, and inclusive environments, colleges everywhere are developing pathways that support personal well-being and unique intellectual pursuits. With solutions designed to inspire and connect, HON is making a difference in secondary education spaces—today, tomorrow, and beyond.

Classrooms

Built for discussion, discovery, and dynamic learning.

FEATURED SERIES
Motivate™ and Etch™

Academic Insights

Smaller class sizes encourage active learning, stronger interaction, and improved performance. Strategic use of color reinforces collaboration in these environments: warm hues spark energy and discussion, while cool tones promote focus and calm.

FEATURED SERIES
Preside® and Nucleus®

Academic Insights

CTE spaces emphasize hands-on learning, technical skills, and problem-solving. Color supports creativity and structure in these environments: vibrant hues encourage innovation, grounding tones add stability, and high-contrast palettes define zones.

Libraries

Fueling collaborative study, digital research, and deep focus.

Academic Insights

Libraries are evolving into multi-purpose hubs that balance connection and focused study. Color shapes the energy of these spaces: soft blues and greens promote calm, muted earth tones provide comfort, and deep accents define collaboration zones.

FEATURED SERIES
Field Trip™, 10500 Series™, Storyline™, SoCo™, and Ignition®

Student Spaces & Commons

Amenities-rich settings where community, choice, and comfort intersect.

FEATURED SERIES
Workwall, Storyline™, Ruck™, and Flock®

Academic Insights

Student commons foster belonging, flexibility, and informal learning through inclusive, multi-use spaces. Approachability is essential in these environments. Color sets the tone: bold accents encourage interaction, natural palettes reduce stress, and warm hues add comfort.

FEATURED SERIES
Field Trip™ and Etch™

Cafés

Casual moments to socialize, study, and recharge.

FEATURED SERIES

Etch™, SoCo™, Scramble™, and Birk™

FEATURED SERIES
Tangram™ and SmartLink®

Academic Insights

Cafés provide vital hubs for socialization and wellness. Color energizes these spaces: warm tones stimulate appetite and conversation, shades of green emphasize health and sustainability, and natural finishes add authenticity.

Welcome & Administrative

Designed to greet, guide, and support every interaction.

FEATURED SERIES
