Align™

Expand your capability. Complement your style.

Align storage components provide function while adding clean, contemporary design appeal. They don't just store your files and personal belongings - they can also act as supplementary seating when your space turns into a collaborative area. They pull double-duty as workstation support pieces, fitting seamlessly with Allsteel systems furniture. Align credenzas, pedestals, lockers, and towers are built tough to meet today's workplace demands.

Complete solutions for the way you work.

Enhance your workspace's function and design with Align credenzas and towers. The clean-lined aesthetic integrates seamlessly into any setting, while the ample storage space allows you to keep your resources right where you need them, visible or stored, to help you get the most out of your workstation.

Add a cushion to mobile pedestals and credenzas to supplement seating.

Integrate lockers and cubbies into Storage Islands to create collaboration zones. Digital Lock options keep your gear secure and out of sight.

Make a statement when you add a pop of color with single or dual paint.

Be efficient with space-saving height adjustable integrated credenzas and wire management sleeves

Signature options offer design flexibility.

Align's contemporary design brings a more refined furniture aesthetic to metal storage. Choose the options you need to create highly functional storage solutions that work for every user.
