VERSATILITY FOR EVERY WORKSPACE

10500 Series fits a variety of spaces, styles, and ways of working. This hardworking collection is equally at home in a traditional executive suite, a transitional open office, or a shared team setting. With a broad range of configurations, finishes, and accessories, it's built to reflect your organization's personality without asking you to compromise on performance or budget.

Shown with Ignition® 2.0 and Brim™ seating.

RECEPTION
Create a strong first impression with reception settings that pair easily with HON lounge seating for a welcoming arrival area.

PRIVATE OFFICE
Support focused work with private office layouts that offer clean sightlines, practical storage, and durable worksurfaces.

SHARED SPACES
Give teams space to meet, share ideas, and keep their own work close at hand.

STORAGE
Pair storage with Workwall to keep materials organized and create a cohesive backdrop for private offices and shared team areas.

CONFIGURATIONS FOR EVERY PLAN

Whether you're furnishing a single private office or outfitting an entire floor, 10500 Series gives you the choice to plan with confidence. Choose from single desks, L- and U-shaped workstations, modular storage, and Workwall solutions to build exactly what the space and the people in it require. No unnecessary complexity. No wasted square footage. Just a versatile lineup that fits the way your organization works.

MORE WAYS TO WORK COMFORTABLY

10500 Series gives people more ways to work comfortably throughout the day. Seated-height, standing-height, and height-adjustable options make it easier to shift between postures as tasks and preferences change. With compatible worksurfaces and a coordinated look across the collection, it brings practical movement into private offices, shared spaces, and larger plans.
