

## Cradle to Cradle Certified™ Bronze Specification Sheet

Certification Period: March 24, 2017 - March 23, 2019

# Involve® Storage

Involve's modular design brings everything together to accommodate all the different ways work gets done, from private office to open plan and beyond. It incorporates laminate storage options that support active work and screens that define space and create varied separation.

Choose from a variety of open and closed credenzas, support and mobile pedestals, open active storage, stacking storage, towers, bookcases, shelves, and overhead storage. Exceptions are noted below.
