

Linden Chair

CORRAL

Linden Chair

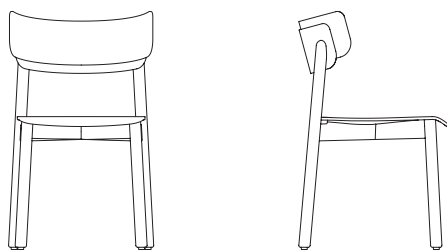

The Linden Chair is a simple utilitarian form built for the contract market. Inspired by Shaker design simplicity, the Linden Chair boasts a solid wood frame with molded ply formed back and contoured seat. Solid ash dowel legs hold a gently curved and supportive back in place.

Available in solid oak or a painted ash finish the Linden Chair easily changes character to fit into a wide range of interiors. The Linden Chair is an affordable all wood chair option for the modern office.
