

SHOWN WITH BRIEFING & SARANAC TABLES, CIJI & ALLSTEEL PARK LOUNGE

---

## MULTI® HIGHER EDUCATION

Perhaps no segment presents a more diverse range of seating challenges than higher-education spaces, and Multi stunningly rises to that challenge. The collection's style, model, and functionality options converge to creatively meet the needs of nearly every setting on campus.

# MOLTI® HIGHER EDUCATION

Design by DANIEL CRAMER

## MOLTI IN MULTIPLE SPACES

Though different settings present distinct needs, Molti addresses them effectively while presenting a carefully integrated aesthetic. The campus community experiences both harmony and personalized performance.

### COMMUNITY/CAFÉ

Molti warmly welcomes and easily adapts, and it can even present your custom brand identity in etching or laser cutting.

### STUDY SPACES

A compact Molti guest chair provides space efficiency with ample comfort for those learning and pondering sessions.

### CLASSROOM SPACES

Whether on casters or glides, Molti moves and flexes in response to the varying needs of learning environments, including stacking for space-saving storage.

### FACULTY/STAFF

For smaller meetings and guest seating, Molti offers material options, including wood seat backs and arms, that blend functionality and style.
