BRIEFING™ LEARNING

There are moments for instruction, times for training.
Learning spaces need a table designed for
efficient interaction. The Briefing collection
helps make learning happen.

Spaces for knowledge transfer.

MANY MODES, PLENTY OF COMFORT

There are as many learning models today as there are organizations that incorporate them. Presentations continue, breakouts happen, technology drives and assists, and sessions still require a humanized approach. Briefing delivers versatility and flexibility by enabling adaptable configurations and easy storage. Briefing brings learning to work.
