LOUNGE TABLES SNAPSHOT

The convergence of style and functionality.

COMPLETING THE SETTING

The Briefing tables collection offers highly versatile surface sizes, base styles, table heights, color choices, and material options to address virtually any lounge setting application. These tables complement a variety of seating configurations, from welcoming settings, to lounge spaces, to ancillary workplaces.

Briefing tables contribute essential performance when more relaxed settings must also effectively support a wide range of tasks and activities, all from a carefully integrated collection that bears the hallmark of Gunlocke heritage.
