*Prices reflect typicals shown.

Stride

Stride is a comprehensive collection of surfaces, storage, and traditional and light-scale space division that creates productive and inspiring workspaces that support different tasks and worker generations.

A flexible kit-of-parts works together throughout the entire office to respond to changing needs, from traditional panel-based workstations to high-performance private offices with complementary storage and desking options.

Stride offers great design for a variety of workers, and for changing business needs. In addition to desking, Stride also offers panels, benching, and storage.

Contract Price: \$5,894.19

Involve

Involve's modular design brings everything together to accommodate all the different ways work gets done, from private office to open plan and beyond. It incorporates soft seating to encourage spontaneous interaction, laminate storage options that support active work, and worksurfaces and screens that define space and create varied separation.

Beautiful, durable laminate storage options define private office space, whether you prefer a traditional style or a more progressive look. Choose from a variety of worksurface sizes and shapes, as well as table legs, stanchions, and supports to help you design solutions that accommodate a range of work styles and aesthetics.

Contract Price: \$4,994.29

Approach

Approach provides a portfolio of modular options that inspires you to rethink how the private office can be designed to address today's needs, change over time, and even serve more than one purpose.

Sit-to-stand worksurfaces enable users to vary their posture throughout the day, with the height-adjustable legs concealed within a shroud or pedestal storage.

Approach offers a to-the-floor base or a lighter-scale footed design. Choose from a variety of solid and woodgrain laminate colors, numerous fabrics for tackboards and pedestal seat cushions, and multiple storage pull styles. Approach offers a mix of materials to support your design vision.

Contract Price: \$4,085.86

Cadence

Cadence offers freestanding desks, credenzas, and storage for unlimited versatility in a private office setting. Its modular flexibility lets you personalize any environment and accommodate a range of needs with a variety of worksurface shapes, multiple worksurface edges, and a complete paint finish and laminate offering. Plus, it's compatible with Concensys, Allsteel storage solutions, and Extensions work tools.

Durable, long-lasting, heavy-gauge steel construction and metal-to-metal connection points make installation and reconfiguration reliable and easy.

Contract Price: \$3,549.81

Silea

Silea began with you: how you sit, move, work, adjust, and think. Innovative materials create a streamlined profile that is supportive, reduces pressure and fatigue, and regulates body temperature.

Contract Price: \$4,902.04

Credentials

The finely tailored architecture of Credentials Caseworks delivers a distinctive statement, not just about the private office, but about the person sitting behind the desk. A Credentials private office embodies status, confidence and luxury without being trendy or pretentious. It is furniture refined, rather than redefined.

Credentials Caseworks focuses on the refinement of everyday needs to improve the user experience for the professional services customer. Key features include convenient, accessible wire management, integrated height adjustable solutions, enhanced performance hardware and appropriately scaled components that embody a tailored experience in the private office.

Stride Benching

Stride is well-suited for a flexible, collaborative environment. It fosters collaboration by eliminating barriers to teamwork, supports users who spend the majority of their day away from their workspace, and can be scaled to meet the needs of a variety of workers.

Stride features unique storage, a range of separation options, and exceptionally easy access to power. It blends cohesively with the full Stride offering to create a beautiful, functional space. In addition to benching, Stride also offers panels, desking, and storage.

Integrated height-adjustable workstations available with Stride Sit-to-Stand.

Contract Price: \$2,824.90
per station

Further

Adapt quickly and easily to workplace changes with Further's intuitive kit-of-parts. Its unique hub provides power and data support and can be beam-connected or freestanding. Create and combine linear or organic configurations using trapezoid and rectangle worksurface shapes.

Choose from a range of storage options, worksurface sizes and shapes, screen types and materials, storage, and other various design options. Available in a variety of paint colors and screen materials, including glass and user-movable fabric screens.

Integrated height-adjustable workstations available with Further Adaptive.

Contract Price: \$1,833.95
per station

Stride

Stride is a comprehensive collection of surfaces, storage, and traditional and light-scale space division that creates productive and inspiring workspaces that support different tasks and worker generations.

A flexible kit-of-parts works together throughout the entire office to respond to changing needs, from traditional panel-based workstations to high-performance private offices with complementary storage and desking options.

Concensys

The Concensys panel system unifies the essential elements of systems furniture in one high-value, best-in-class package. It delivers exceptional quality at an attractive price and will retain its structural integrity through multiple reconfigurations and extended use.

Concensys features thin-profile panels, multiple options for fabrics and finishes, and thoughtful, functional details. With all-metal construction, ease of specification and installation, and quick-ship delivery options, Concensys offers the best price-to-performance ratio of any comparable system in its class.

Park

Park Planters by Norm Architects provide storage and greenery in the workspace. The non-traditional space division provides open aesthetic while promoting wellness at work.

Radii

Radii is a unique offering of metal storage pedestals and undermounts, plus work tools designed to accommodate personal items alongside office items. As the shift towards digital documentation becomes more prevalent, the space that's freed up inside storage units is occupied with workers' personal belongings. Radii addresses the need to stow, rather than store, in a compact, space-efficient design that allows people to stay productive and connected to their work.

Organizational Tools

Extensions accessories include organizational tools, including paper management solutions, to remove clutter from the worksurface and help keep individuals organized. It's easy to manage clutter with bins, caddies, shelves, and holders that can be rearranged as needs change.

Choose from freestanding or options that hang from the tool tile or rail.

Tool Tile and Rail

Tool tile and rail options provide sturdy aluminum extrusions with steel support construction and durable powder-coat finish. Tool tile works with all Allsteel systems except Concensys® and Optimize™, which offer an integrated tool rail.

Available in a variety of colors to complement the workstation.
