Accommodate™

HEALTHCARE APPLICATIONS

PUTTING PATIENTS AND GUESTS AT EASE

Bring greater comfort, convenience and continuity throughout a healthcare facility with Accommodate seating. This versatile collection includes guest and bariatric chairs and café and counter height stools, each built to withstand even the most demanding high-traffic areas. The combination of stain-resistant fabric options and a convenient wipeout space between the seat and back make it easy to maintain. The contoured back, waterfall seat edge and high-density molded foam put patients and visitors at ease. Give patients and guests exactly what they want and everything they need with Accommodate.

A. CAFÉ SETTINGS

Accommodate blends perfectly into any environment. The café and counter height stools make it ideal for cafés, atriums and a wide variety of areas.

B. PRIVATE OFFICES

Position Accommodate guest chairs in private office settings to facilitate conversation and consultation.

C. COMMON AREAS

A variety of chair and stool heights support break rooms and other public areas where people casually congregate.

D-E. VERSATILE SELECTION

Add optional fixed arms to provide greater upper body support. Optional dual fabric enhances the aesthetic and allows for greater customization.

F. LEG OPTIONS

Each model comes with non-marring glides for easy movement on hard surfaces, and your choice of soft or hard casters for mobility on any type of surface.
