ALL-MESH TASK CHAIR

Seating

# Mesh Well Together

Exceptional functionality with sophisticated materials for pinpoint comfort just where you need it. Ignition works everywhere, just like you. This all-mesh chair features a waterfall mesh seat that reduces pressure points and provides breathability, giving you the look you want and the customizable comfort that perfectly fits you. Allowing you to do your best work, no matter what the day brings your way.

## Seat Controls

### Synchro-Tilt

Back reclines at a 2-to-1 ratio to seat angle. Allowing users to recline while keeping seat cushion relativity level to floor.

### Synchro-Tilt with Seat Slider

Provides the functionality of synchro-tilt plus a seat slide to change the seat depth for various users.

### Limited Recline Advanced Synchro-Tilt

Provides the functionality of synchro-tilt with an improved aesthetic plus ease of use tilt lock and tilt tension controls.

## Headrest

### Mesh Headrest

Vertical adjustment with back & forth tilt adds support and enhanced comfort.

## Arms

### Adjustable T-Arms

Adjustable arms include height and width adjustment for optimal comfort and support.

### Fixed Arms

Provides support for various users, no adjustments necessary.

### Polished Aluminum Fixed Arms

Provides support for various users, no adjustments necessary - with a premium finish.
