# Hold It Right There

## Organization From The Inside Out

And over there. Or anywhere for that matter. With Contain, your storage capacity and options are maximized with this versatile collection of pedestals, towers, laterals, lockers, wardrobes and credenzas designed to work great alone and even better together. Redefining active storage, Contain works for both individuals and teams, allowing everyone easy access for snagging frequently used items. The only thing it won't be able to contain is your excitement for how productive organization can be.

## Holding To A Higher Standard

While Contain is designed to hold pretty much anything, it doesn't hold back on versatility. Supporting open plan workstations, private offices, benching applications, or even serving as short-term seating, Contain holds its own by bringing order to everywhere it's needed.

# Statement Of Line

## Storage

It's okay for Contain to be left holding the bag. That's what it's there for. Whether you need to tuck something out of sight or want a shelf to proudly display your latest souvenir, Contain delivers with a wide range of options to fit any space or function. With an array of finishes, bases, drawer types and more to choose from, you can get exactly what you need to contain whatever you want.
