## Monitor Arms

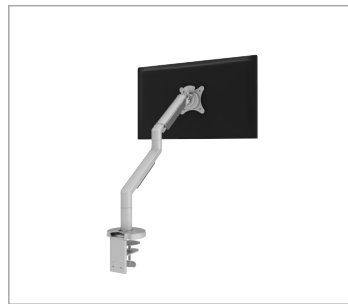

# PUT STYLE AND FUNCTIONALITY ON DISPLAY

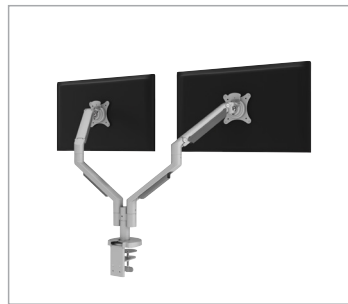

HON monitor arms allow you to free up workspace and effortlessly move your monitor into a variety of positions. Spring enables effortless arm adjustment in a range of extension heights. Simply tilt the monitor up to 30 degrees while swiveling 360 degrees at two points. The arms fold completely back to the post to provide maximum desktop space, and cord management helps create a less cluttered workspace.

## MONITOR ARMS

- 180° of rotation at base with optional 360° rotation
- Arms extend 22" and retract up to 3"
- Monitor mount rotates 180° and tilts +/-30°
- Monitor can be rotated from landscape to portrait position
- Available in two paint finishes, Silver and Black
