Tim Buchenberger

Rick Joutras

In collaboration with HON, the QDesign team of Tim Buchenberger and Rick Joutras created a table line with a complementary design aesthetic that can be used with a variety of HON lounge products. "We really wanted to create a product that gives designers the ability to mix and match options" says Buchenberger. As a result, Scramble™ has a cohesive design with finish choices as well as size and scale that's perfect for any space.
