A new chapter in connection.

Adventure Awaits

Media centers aren't just for study halls and research anymore—they're the heartbeat of the school. These thoughtful, holistic community hubs have evolved to inspire not just students, but anyone who wants to connect and create. Storyline—a versatile bookcase collection that offers organic movement and customized learning zone options—is an open book when it comes to inspired synergy in shared spaces. Whether it's an early morning reading circle, a mid-afternoon small group project, or an evening townhall meeting, Storyline bridges the gap between people and places.

The Journey is Yours

Learning has unlimited potential. With creativity and an innovative approach to design, any environment throughout the school can contribute to educational growth and well-being. Dynamic Storyline—with its flexible, easily reconfigurable design—is ideal for a variety of spaces—large, small, and everywhere in between.

Shown with Tangram™ soft seating, SmartLink® chairs, and Build™ table.

Go Your Own Way

With curved and linear options, creating your own adventure with Storyline is as fun as it is functional. By mixing and matching multi-height options and experimenting with fun and creative layouts (think cozy reading coves and interactive sphere configurations), Storyline will take shared environments of all sizes on a creative journey.

People come in a variety of shapes and sizes—and so does Storyline. With seated-, counter-, and standing-height options, everyone can gain a new perspective.

An Open Book

An adaptable shared space should always have the potential to evolve. Storyline is an ideal choice for environments that house a variety of community and education purposes. With smooth rolling casters, durable laminate surfaces, and colorful magnetic panels, Storyline adapts seamlessly to any space or situation.

Shown with SmartLink® chairs, Build™ tables, Confetti™ floor lounge & cushions, Class-ifi™ lockers, and Tangram™ soft seating.

Be the Author of Your Own Story

With a variety of bookcase configuration choices—plus multiple bistro table height options, including seated, counter, and standing—Storyline offers everyone a chance to develop their own plot. And to make the journey even more exciting, this unique media center solution offers dual-sided versatility, vibrant paint and laminate options, creative markerboard and magnetic finishes, and easy mobility. With Storyline, the adventure never ends.
