Tables for Everywhere and in Between

Bringing Everything to the Table

Like your favorite fashion accessory, the Between table collection goes everywhere and with everything. It's that reliable go-to that pulls it all together and just makes it work. With a variety of shapes, bases, and heights to choose from, you'll be able to use these versatile tables here, there, and anywhere between.

Turning the Tables

A jack of all trades that is just as productive in a café as it is in a training or conference room, these tables are the perfect go-between for meeting, eating, or individual work activities. Who knew a table collection that came in so many different shapes and sizes could be so well-rounded?

Shown with Motivate® seating.

Flexibility Meets Function

That moment when everything you want meets everything you need. Choose Between table options that offer up a variety of sizes and top shapes, seated or café heights, and a wide range of laminates to fit in with any environment. With so many different uses, it will be easy to pick Between.
