Retreat™

# Seating For Today

The Retreat collection presents seating choices that align with an emerging set of workplace needs and an intergenerational group of new leaders. Subtle shapes and contoured lines converge to deliver responsive comfort. Select and blend the back heights and the base options to match the ways people want to gather. Retreat provides the level of versatility and cohesive design that speaks to today.

## From Conference Room to Private Office

Retreat Executive | Conference seating provides premium comfort and versatility for meeting spaces and private offices. The iconic design even features an array of base options — 5-star, 4-star and handsome wood.

## Seating For All

The soft, organic shape of Retreat draws an array of leadership styles, creating a timeless aesthetic that is subtle yet strong.

Soft lines and precise stitching create a form and feel that invite.

An integrated tilt mechanism and an optional return-to-center base ensures comfort and creates visual order.

Conforming cushion foam and a sculpted back envelops the user in comfort and support.

## Functionally Understated

Modern work is happening away from the traditional workstation. With Retreat, every detail has been designed to provide a relaxed but also productive experience.

The seating geometry of the Retreat collection has been scaled to support active work postures.

Privacy wings and high back design enables the Retreat collection to create space within a space.

Choose from return-to-center swivel, 360-degree swivel, or glide options.
