

Acuity™

Task Chair

Acuity seamlessly integrates ergonomic innovation with a timeless aesthetic, elevating your work experience with intuitive functionality and sophisticated design. Its thoughtful balance of form and function ensures effortless adaptability through every task and transition.

Features

AcuFit™ Ergonomics
Tailored Comfort
Intuitive, Streamlined Controls

AcuFit™ Ergonomics: The Pinnacle of Personal Comfort

AcuFit technology instantly adapts to your body, offering individualized comfort without the need for adjustments. The innovative mesh carrier mirrors the natural curvature of the spine, providing continuous support from your shoulders to your lumbar.

The weight-activated mechanism synchronizes seat and back movements, automatically adapting to your posture as you shift and move throughout the day.

8-way adjustable arms adjust to your preferred working style, ensuring precise positioning.

Lock, tighten, and loosen the tilt to suit your preferences with the smooth slide control.

Customize your seating position with fingertip controls, easily adjusting the seat up, down, and back and forth for a perfect fit.

Enjoy tailored comfort with hybrid cushioning that conforms to your body, providing lasting support every time you sit.

Where Form Meets Function

Acuity isn't just a chair; it's a complete experience. Designed for the modern professional, it seamlessly blends ergonomic support, comfort, and functionality. Whether leading a meeting or doing heads-down work, Acuity ensures a more enjoyable and productive workday.
