Optimize™

Working Hard, Working Smart

Today's office demands a furniture solution with an assortment of application options, one that is, at the same time, highly efficient as well as effective. Meet Optimize, the monolithic panel system that delivers hardworking versatility. From an array of panel sizes, materiality, storage and worksurface shapes, it provides the configurations that support concentrated individual work as well as team collaboration. Optimize makes the most of your space.

Creative Combinations

Whether you're outfitting a call center, creating teaming areas, replacing a reception desk, or adding new stations for managers, Optimize offers a cohesive portfolio of panels plus components that enable you to get creative with your work settings. By blending a variety of storage options-overheads, mobile pedestals, personal towers, and lateral files- in an assortment of colors, materials, and shapes you easily create efficient spaces where people want to work.

Strategy Options

The variety of settings required in an effective office landscape demands furniture flexibility.
