Involve®

# Share Work as it Happens

Involve is a comprehensive collection of seating, storage, screens, and worksurfaces designed to support collaboration and group interactions, wherever they happen. Involve makes it easy to transition from focused work to spontaneous collaboration.

# Designed for all Spaces

Involve's modular design brings everything together to accommodate all the different ways work gets done, from private office to open plan and beyond. It incorporates soft seating in the primary workspace to facilitate collaboration, laminate storage options that can be used as additional seating, and screens that create separation without isolating workers.

# Store and Organize

Involve laminate storage helps you stay organized with personal towers to keep your work and personal belongings secure, and credenzas with open shelves for quick access.

Pull-out shelves allow flat storage.

Credenzas feature adjustable shelves and door options.

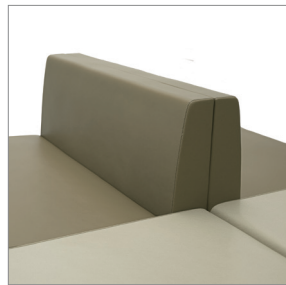

Side-access tower keeps items within reach.

# Take a Seat

Create comfortable, collaborative touchdown areas or transform an individual work area into a dynamic team space by integrating soft seating with Stride or Terrace panels.

Create conversation areas with a flexible set of building blocks.

Seating is available in cushion banquette options.

Optional pull-out drawer offers additional storage space.

# Make it Your Own

Create the space you need with Involve's wide range of flexible components.

Reduce visual distractions by adding privacy screens.

Open end legs create a light aesthetic and unify details.

Stanchion creates multiple layered work surfaces.
