Pivot™

# An Investment in Comfort

Pivot allows monitors to be placed at the proper position for improved ergonomics and well-being. Reduce desktop clutter and reclaim valuable workspace otherwise taken up with bulky technology. With its slim profile and lightweight design, Pivot is as beautiful as it is functional.

## Precise Fit and Function

Evolving technology requires adaptable and reliable accessory solutions. With Pivot, users experience quick installation and the ability to add or subtract monitors as needs change. The adjustable tension means Pivot can accommodate a wide range of monitor sizes and weights.

Components assemble easily for quick installation.

Optional slide bar increases side-to-side adjustability.

Arm is available in either silver or black.

Cables are neatly concealed within the arm.
