SmartLink[®]

Seating

Shown with SmartLink desks and storage.

A smart addition to active learning spaces.

Ahead of the Curve

School can be hard, but your chair doesn't have to be. SmartLink seating features a flexible curve design to support a wider range of movement so students can turn, sit sideways, or lean back in comfort. Designed with a built-in handle for easy classroom reconfigurations, SmartLink seating is nothing short of an academic achievement.

Making the Grade for Comfort

Acing all exams, SmartLink seating was pressure-tested against competitive products to ensure maximum comfort.

Extra credit given for smart back design which features a contoured shape to keep bags from sliding off and a built-in handle for easy transport.

Stacking Chairs

Pile It On

Fully-engaged students seem eager to take on more. As do SmartLink stacking chairs. Available in a 4-Leg or cantilever design in sizes to fit all ages, these chairs stack up to 5-high for safe and easy transport and storage. Comfortable, functional, and uncomplicated make SmartLink stacking chairs the correct answer for any classroom.

1) DOWN TO THE WIRE

Stash books and supplies neatly under the chair with optional wire basket.

2) ON A ROLL

Keep lessons and seating moving along with optional casters available on 4-Leg chairs.

3) SOCIAL STRUCTURE

Move and interact in comfort with cantilevered seat fronts that respond with the user

4) NEAT & TIDY

Chairs can be placed on top of desks for easy cleaning, while rubber stoppers prevent scratches on surfaces.

5) POP OF COLOR

Add color to the classroom with Colorwav™ paint accents on chair legs.

Swivel Chairs

Up To The Task

Like a focused study group, SmartLink task chairs and stools work perfectly together with coordinating stacking chairs. Height adjustment and full swivel rotation make this seating ideal for behind teachers' desks or in labs. Passing with 11 flying colors—including vibrant shades that keep students energized and engaged—SmartLink task seating is the smart choice for learning spaces.
