**\*Cleaning & Care Instructions**

- The cleaning process should be started as soon as the problem occurs or is noticed. Delays in starting the cleaning process can result in permanent staining or damage to the leather alternative. Care instructions are as follows:
- Wipe up spills as soon as they occur
  - Clean with soap and water or alcohol based cleaners
  - Sanitize using (1:5) bleach/water solution or other approved disinfectants
  - For ink (Ultraleather® | Pro) or other stubborn stains, wipe off with isopropyl alcohol as soon as possible
  - Thoroughly rinse all solution residue with clean water
  - Air dry
